COLORED TRAIL MARKING SYMBOLS AND LINES

Skiers and riders should be advised that a GREEN CIRCLE, BLUE SQUARE, BLACK DIAMOND or DOUBLE BLACK DIAMOND trail at Killington is not necessarily the same as a similarly rated trail at another resort. The trail designation system is a relative system, valid only at Killington. Skiers and riders should work their way up, beginning with the easiest trails, no matter what their ability level may be, until they are familiar with the trails at Killington. Be aware, also, that gradients and difficulty vary within each trail. Changing snow conditions, visibility and the number of skiers and snowboarders can also make trails more challenging.

SLOW ZONES
Certain areas (shown on the map by yellow dotted areas) are designated as SLOW ZONES. Please observe posted slow zone areas by maintaining a speed no faster than the general flow of traffic. Fast and aggressive skiing is prohibited.

GREAT EASTERN/GREAT NORTHERN
These two trails represent Easier (Green Circle) routes that wind through several of our mountain areas. Great Eastern begins at the top of Skye Peak Express Quad and ends at the base of the Skyeship Gondola. Great Northern begins at the top of Killington Peak and allows skiers and riders to end their run at K-1 Lodge, the base of Snowdon Mountain or at Ramshead Lodge.

LIFT & TRAIL HOURS
WEEKENDS & HOLIDAYS key lifts open at 8 a.m. with other lifts opening at varying times, dependent on conditions and weather.
WEEKDAYS key lifts open at 9 a.m. with other lifts opening at varying times, dependent on conditions and weather.

ALL LIFTS CLOSE BY 4 P.M.
USE OF KILLINGTON TRAILS AND SLOPES AFTER CLOSING IS PROHIBITED UNLESS PREVIOUSLY AUTHORIZED BY MANAGEMENT.

LIFTS

| | LENGTH (FEET) | VERTICAL RISE (FEET) |
|-----------------------------------|---------------|----------------------|
| Bear Mountain Quad | 2833 | 1184 |
| Canyon Quad | 3638 | 1193 |
| Learn to Snowboard Carpet | 480 | 49 |
| K-1 Express Gondola | 6453 | 1642 |
| Needle's Eye Express Quad | 3286 | 971 |
| Northbrook Quad | 2279 | 401 |
| North Ridge Triple | 2295 | 587 |
| Ramshead Express Quad | 5499 | 1073 |
| Skye Peak Express Quad | 4932 | 1525 |
| Skyeship Express Gondola Stage I | 7938 | 1178 |
| Skyeship Express Gondola Stage II | 5052 | 1342 |
| Snowdon Quad | 4476 | 1114 |
| Snowdon Triple | 4403 | 1058 |
| Snowplay Carpet 1 | 130 | 11 |
| Snowplay Carpet 2 | 214 | 27 |
| Snowplay Handle Tow | 557 | 22 |
| Snowplay Rope Tow | 523 | 36 |
| Snowshed Double #1 | 3304 | 527 |
| Snowshed Double #2 | 3304 | 527 |
| Snowshed Express Quad | 3576 | 560 |
| South Ridge Triple | 4215 | 825 |
| Sunrise Village Triple | 3088 | 434 |
| Superstar Express Quad | 3504 | 1199 |
| Upper Snowdon Para Lift | 2244 | 462 |

SMART STYLE
Freestyle Terrain

Make a plan.
Every time you see freestyle terrain, make a plan for each feature you want to use. Your speed, approach and take off will directly affect your maneuver and landing.

Look before you leap.
Ropes around the jumps are not over them. Knee bindings are clean, and clear yourself out of the landing area.

Easy style it.
Start small and work your way up. (Covered areas are prohibited).

Respect gets respect.
From the lifeline through the park.

FREESTYLE TERRAIN

Freestyle terrain areas are designated with an orange oval and may contain a variety of constructed or natural terrain features. Prior to using freestyle terrain, you are responsible for familiarizing yourself with the features and terrain and obeying all instructions, warnings and signs. Freestyle skills require maintaining control on the ground and in the air. Use of freestyle terrain exposes you to the risk of serious injury or death. Inverted aerials are prohibited. You assume the risk.

Freestyle terrain has designations for size:

SMALL MEDIUM LARGE

Start small and work your way up. Designations are relative to this ski area.

TIMBERLINE AT RAMSHEAD
Check out this park geared toward less experienced park skiers and riders.

REASON AT KILLINGTON PEAK & BEAR CLAW AT BEAR MOUNTAIN
In these parks, you can practice your tricks and work your way up.

DREAM MAKER, OL RAIL PARK, THE STASH & SUPERPIPE AT BEAR MOUNTAIN
Spread over Bear Mountain are custom rails and big hits and a 430-foot Superpipe.

SKI & RIDE WITH CARE

Above and beyond Killington's commitment to provide the best possible experience to all skiers and snowboarders, we are committed to promoting alpine awareness.

READ THE FOLLOWING INFORMATION CAREFULLY:

Alpine skiing and snowboarding are challenging and dangerous recreational activities in rough mountain and forest terrain. Be alert to continually changing weather, visibility, surface conditions and terrain features. Snow, ice, moguls, spines, rolls, jumps, snowmaking mounds, sheer drop-offs, bare ground, rocks, roots, stumps, trees, lift towers, runs, bumps, snowmaking equipment, grooming vehicles, snowmobiles, other skiers and snowboarders, power poles and many other natural and manmade objects are among the inherent risks of the sport. Falls and collisions with natural or manmade objects can cause permanent, catastrophic injury and death. Your safety is directly affected by your judgment. Failure to use good judgment, ski and ride responsibly and follow YOUR RESPONSIBILITY CODE may result in the loss of skiing or snowboarding privileges. Snowmaking, grooming and ski area maintenance procedures and vehicles may be in operation at any time on trails and slopes. Do not ski or snowboard near such equipment.

REPORTING SKIER COLLISIONS

VERMONT LAW requires any skier or snowboarder involved in a collision with another person which results in injury to provide his/her name and local and permanent address to any other party to the collision and to proceed to a ski area first aid facility and provide the same information to ski area personnel on duty there.

AREA BOUNDARY

SKI OR SNOWBOARD ONLY ON OPEN, DESIGNATED TRAILS, SLOPES, FREESTYLE AND TREE SKIING AREAS. NEVER SKI OR SNOWBOARD ALONE. Woods and backcountry areas beyond open and designated trails are not maintained or checked by ski area personnel. Killington assumes no responsibility for safety of, or injury, death or damages to skiers or snowboarders going beyond open, designated areas or the ski area boundary (shown by a dotted yellow line) bordering the map. VERMONT LAW provides that you are liable for all expenses of search and rescue if you ski or snowboard off the open, designated trails, slopes, freestyle and tree skiing areas, or beyond the ski area boundary and a search is conducted.

STEEP TRAIL SECTIONS

Double black diamond trails have very steep gradients that may cause a fallen skier or snowboarder to slide considerably farther than on other trails. **BE AWARE AND SKI AND SNOWBOARD ACCORDINGLY!**

LEARNING AREAS

Designated Learning Areas at Killington are the Learn to Ski or Ride area, Snowshed Slope, Yodeler, Idler, Snow Play Park and Easy Street.

RIDING THE LIFTS

Be advised, you cannot board a lift unless you have sufficient physical dexterity, ability and knowledge to negotiate and use lifts safely, or until you have asked for and received information that enables you to use lifts safely.

CAUTION!

- Snowmobiles, grooming vehicles and snowmaking operations may be encountered at any time.
- Be advised that all poles, flags, fencing, signage and padding on equipment or objects, or other forms of marking devices, are used by the resort to inform you of the presence or location of potential obstacles or hazards. These markers are no guarantee of your safety and will not protect you from injury. It is your responsibility to stay away from marked areas.

YOUR RESPONSIBILITY CODE

Killington is committed to promoting skier and rider safety awareness. In addition to people using traditional alpine ski equipment, you may be joined on the slopes by snowboarders, telemark skiers, skiers with disabilities, skiers with specialized equipment and others. Always show courtesy to others and be aware that there are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce. Know your ability level and stay within it. Observe YOUR RESPONSIBILITY CODE listed below and share the responsibility for a great outdoor experience with other skiers and riders.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or emerging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

KNOW THE CODE. IT'S YOUR RESPONSIBILITY.
This is a partial list. Be safety conscious.

**HEADS UP
KNOW THE CODE**
